

FREE PRINTABLE · MAINTENANCE LOG

Home equipment maintenance log

Keep each device’s model, its official instructions and its consumables in one place. Copy intervals from the instructions; this log does not suggest a schedule.

HOW TO USE THIS WORKSHEET

Use this worksheet to organize information you already have and questions you still need to answer. Unknown is an acceptable entry. Check current official instructions before purchasing, testing or maintaining equipment. Keep your completed copy privately; do not send it to this website.

01 Equipment records

#	MODEL	OFFICIAL INSTRUCTION URL	LOCATION	CONSUMABLE	INTERVAL (COPIED FROM INSTRUCTIONS)
1					
2					
3					
4					
5					
6					
7					
8					
9					
10					

Write “Unknown” when an instruction or interval is missing, and add a task to find it. Use the exact model number from the device label.
